DEEP IN CONFERENCE over Daly City bookmaking activities are (left to right) District Attorney Keith Sorenson, Police Chief Petrocchi and City Manager Howard Stites. The city manager said after the meeting Monday that he is convinced that there is no truth to rumors of an alleged tip-off in one of the two departments. Outcome of the meeting will be closer cooperation between the two law enforcement agencies, according to Stites. District attorney officials have joined with local police in an all-out investigation of bookmaking activities in Daly City.

ELEMENTARY TEACHERS ASK $56,000 INCREASE

An elementary teacher salary increase amounting to an added $56,000 per year was presented Wednesday night by the Jefferson Teachers association to the district board of trustees.

Superintendent of Schools H. Z. Weibel today disputed the $56,000 figure on the basis that there might be additional expenses not taken into account by the teachers association.

"We can't afford to guess on these things," Weibel told THE RECORD.

The association included 16 new teachers whom the district hope to obtain in the recommendation, according to James Hough, chairman of the salary committee and spokesman for the group.

The present budget allocates $636,220 for teachers salaries. If the increase is granted, total expenditure per year would rise to $692,220, according to the teachers' report.

MA Factor

Hough told the board that the primary purpose in altering the salary schedule is to change teacher classifications, thereby lessening the importance of a Masters of Arts degree.

"Only nine teachers out of the total 132 have found the time to get their MA," the spokesman said.

At present teachers must obtain an M.A. degree before reaching the highest classification. If the proposed change goes into effect, 60 units of post graduate work can be substituted for the M. A.

Members of the association also pointed out that time spent in acquiring a masters might be better utilized in taking courses that would pertain more directly to specific teaching problems.

"Higher Level"

"A higher professional level would be maintained if the barriers against acquiring more education were lessened," Hough said.

It was pointed out that a teacher who wishes to obtain an M. A. at the present time must attend night classes or summer school for a straight six years. There is a time limit of six years on getting a masters.

"If we didn't have the six-year time limit there would be no problem," one of the teachers explained.

Hough also said that the association would recommend forming an evaluation committee, made up of representatives from the teachers group and the administration, to approve post graduates units taken by the teachers.

Non-Certified Teachers

The board also heard a letter from non-certificated teachers who asked an across the board increase at the discretion of the board.

Daly City Vaccine Supply Cut-Off; Plans Indefinite

Local children may not receive Salk vaccine this Spring due to the announcement Tuesday that all Cutter laboratory vaccine will be impounded for at least several weeks. Withdrawal of Cutter vaccine from distribution came as a result of six children contacting polio after receiving the Cutter vaccine.

Cutter laboratory in Berkeley was scheduled to have supplied all of San Mateo county with vaccine for administration to first and second grade children.

Jefferson Elementary school district first and second graders were to have received free vaccinations starting May 9. Mrs. Helen

Editorial

After two years of confusion on where Daly City stands transportation-wise, the council has announced it will make a decision within the next two weeks.

Three transit firms are offering to operate here. Two of the carriers are independent bus lines which have submitted a joint proposal whereby transfers would be offered between the east and west sections of Daly City.

One bus firm has been in continuous operation nearly 20 years and has established a performance record. The other bus line is proposed by an individual who promises to put down at least 50 per cent of the money needed to finance his operation.

Both of these transit companies are ready and willing to go before the state public utilities commission and prove their ability to perform here.

The third aspirant to fill Daly City's transportation needs is a group of independent jitney owners whose organization is doubtful.

They will not have to weather the discerning gaze of the public utilities commission because they are confining their operation to the city limits of Daly City. To pass the boundaries of Daly City would mean the jitneys would be subject to securing PUC sanction. The jitney promoters were obviously aware of this in preparing their schedule and studiously avoided a route that would leave the city. They must know that their slipshod operation would never pass the scrutiny of the PUC.

We have made known our choice in the matter, but the big decision is yet up to the council.

Their action will affect directly or indirectly every citizen of this community.

We have continually been amazed at the apathy of citizens toward a problem as important as transportation.

The council's chore has been made more difficult because their decision will be made without any real knowledge of what the people want.

The council would rather hear suggestions and opinions now than "I-told-you-so" hindsight and complaints after the choice is made.

Faced with probably their biggest decision as public officials, the council is strictly on their own.

Whatever their choice, citizens will have little room for "post-mortem" comment unless they stand up now and be counted.

SO—THIS IS YOUR PROBLEM, TOO! Let your councilmen know how YOU feel about it!

City Manager Denies Tip-Off Rumor; Bookie Investigation Continues

City Manager Howard Stites this week backed both the Daly City police department and the district attorney's office against rumors of tip-offs in recent bookie investigations here.

"I have not been able to find any evidence that information concerning arrests has emanated from either the police department or the district attorney's office," Stites said in a formal statement.

The city manager admitted, however, to the existence of "some" bookmaking operation in Daly City.

In a conference Monday afternoon between Stites, Police Chief Roland Petrocchi and District Attorney Keith Sorenson, it was decided the two law enforcement agencies would "cooperate" in flushing alleged bookmakers out of Daly City.

Stites told the city council meeting Monday night that steps were being taken but they were of a confidential nature.

Newest Raid

One of the steps taken this week was investigation of a Lynnewood avenue apartment. According to Police Lieutenant Roy Beecher, the place proved to be "legitimate."

Last week two other Westlake apartments were checked by law officials. A trip to 139 Crestwood drive proved fruitless when it, too, was found to be "legitimate."

The other aparatment at 189 Crestwood drive in Westlake was empty when police arrived. Police said, however, that occupants had evidently left in a hurry as the stove on which coffee had been brewing was still warm. The unfurnished apartment was bare ex-

Firemen Dig Tunnel In $6500 Fire

Firemen were forced to dig a foot-square tunnel from a next door basement in order to reach the root of a fire at 568 Bellevue street last Thursday night.

Fire Chief Elmer Kennedy said that firemen were unable to reach the basement where the fire originated through the house, so firemen were forced to crawl through the tunnel from next door.

Kennedy estimated that damage amounts to at least the $6500 insurance carried.

The house is owned by George Yates, truckdriver, who was in the house with his wife and two of his four children when the fire broke out.

Yates told firemen that one of his sons had been in the basement about half-an-hour prior to the fire. He said he first noticed the fire when he saw smoke coming from the basement.

By the time firemen reached the

TRANSIT DECISION DUE IN TWO WEEKS

City council, after hearing proposal for a bus line to cover Westlake-Broadmoor area Monday night, revealed that they would make their decision on the type transit to serve Daly City within two weeks.

The announcement came after Burt Perkins, owner of Westmoor Lines, asked the council, "What else do you want to know? I'd like you to take a vote right now. I've been appearing before you people for nearly two years."

Mayor Joseph Verducci said he couldn't make a decision yet because he wanted to see how his constituents felt, but told Perkins that he could give an answer in two weeks. The other councilmen concurred with this two-week study period.

Gives Proposal

Perkins, one of two bus companies seeking to serve Daly City, proposed the following route to the council:

Start at West Portal, south on Junipero Serra to Alemany, west to Dorchester, over to Southgate, then south on Maddux drive in Broadmoor to 87th street, west on 87th to Larchmont, down Larchmont to MacArthur, up Washington to 87th and east on 87th to Junipero Serra intersection. Bus would return up 87th to Maddux

The Hilltop Lodge, 22 Hillcrest drive, shuttered for the past three months pending conclusion of trial charging the hangout with traffiking in narcotics, opens for business again this weekend just one month before its liquor license faces revocation.

The department of alcoholic beverage control voted to revoke the Hilltop liquor license three weeks ago, effective May 26.

It was learned, however, that owners George and Ann Kirchhubel and Dan Pallas have ap-

Stites Nixes Conference Attendance by Employees

Acting on recommendation of City Manager Howard Stites, councilmen Monday night voted 4-1 to turn down request for police officer John Walsh to attend a conference next month.

Stites pointed out that sending employees to conferences can become "costly." He declared that department heads should be sent to important confabs, but said to send officers would be "going down pretty far in the ranks."

Police commission had sought to send Walsh, identification officer, to the 39th annual conference of International Association of Identification May 25 through 28 in San Diego.

Councilmen went along with Stites recommendation, with exception of Edward Dennis, who voted no on the motion to deny request.

In other action Monday, the council:

1. Granted used car permit to Robert Crivello for property at 7577 Mission street.

2. Approved police commission recommendations to: Paint center lines on Southgate, Brunswick and Mission Circle; install parking sign on Fairway drive between Forest Grove drive and Park Plaza.

3. Voted to put in two-hour parking limit on Knowles avenue between Mission and Santa Barbara instead of parking meters, as recomended by police commission.

4. Accepted work of: John Q. Adams on roof for Reservoir No. 3; J. N. Pitcher Co., Westlake well No. 2.

5. Set hearings May 23 on rezoning Westlake Units 7-B and 8 from unclassified to single residential.

6. Authorized mayor and city clerk to execute revocable permit on crossing to park site at Lake Merced boulevard.

7. Closed hearing on vacation of San Pedro road in Westlake unit No. 7-B. There were no protests, oral or written.

Okay Expulsion Of Colma School Girl

Expulsion of a seventh grade Colma school girl was passed Wednesday night by the Jefferson Elementary school board. The action is still subject to District Attorney approval.

The expulsion, which Mrs. Helen Cheatham called "the saddest thing I have done in my career on the board," is the first such incident board members recalled.

Supervisor H. Z. Weibel told the board that this was the first time in years the district had been forced to expel a student and that such action was taken only when the situation became "very, very serious."

"She has become a menace to the welfare of the other children," Weibel declared.

In general, the youngster is being expelled for continued willful disobedience, defiance of authority and extreme profanity and vulgarity.

WESTMOOR MAY USE CITY WATER

Jefferson High School district may purchase Westmoor school water from Daly City instead of operating its own system as earlier planned.

In a letter to the council Monday night, High School Superintendent Stanford Hannah said the district would like to receive rate proposals from the city.

Westmoor, Hannah said, would require about 125,000 gallons of water a day.

"I'm happy to get this letter," said Mayor Joseph Verducci. "By purchasing water from the city the high school will be helping the economy of the area."

Verducci had claimed at an earlier meet that the high school would be "duplicating" facilities if they built their own water plant.

Bags, Tin Cans, Etc. May Mix With U.S. Mail

Daly City got its new garbage cans this week and caused the local post office some consternation.

The new waste disposal cans were, in many locations, placed close to the mail boxes.

Postmaster Vincent Murphy fears that many citizens will drop their correspondence in the garbage can by mistake rather than the mail box.

Garbagemen have rallied to the cause, and promise to inspect the cans closely on emptying them each week.

DC Joins Action Vs. Railway

An order giving permission for Daly City to enter legal action against Ocean Shore Railway was signed by Superior Court Judge Edmund Scott Wednesday.

The city, deeded street property at Southgate and South Mayfair Monday by Henry Doelger, seeks to clear title to the OSSR right of way which crosses the two city streets at right angles.

Daly City is now officially a part of the suit which seeks to have the OSSR's right of way for railroad purposes declared abandoned by the court.

In conjunction with acceptance of deed to property Monday night, the council ordered City Attorney Frank Blum to intervene in the legal action.

By clearing title to the property, the city can proceed with lowering of dangerous grades on the two thoroughfares.

The council had hesitated to lower the streets heretofore, fearing the city would be liable for severance damages.

Civil Service Board Asks Pay Boost for Employees

The city council Monday night heard the second recommendation for a civil service employee raise with the presentation of a report from the Civil Service Board of Review.

Council members have already received recommendations from the State Personnel Board who advised an average blanket salary increase of five per cent.

In general, recommended salary increases by the Civil Service board amount to slightly less than do the advised raises included in the state report.

The council delayed decision on the budget Monday night until City Manager Howard Stites completes his recommendations.

Mayor Joseph J. Verducci has said that the council will act on the advice of three sources: the two reports already in and the recommendations made by Stites.

Two Sources

Chairman John C. Degliantoni of the Civil Service board said in a letter to the council that the board had used the state report and the recommendations of the Daly City Civil Service Employees association in compiling the report.

Following is a list of advised salary changes:

POLICE: chief, 505-584 to 530-613; lieutenant, 376-436 to 436 to 505; sergeant, 358-415 to 395-458; inspector, 358-415 to 395-458; mo-

Bolger was presented with his police badge, which was inscribed with "retired," and the number was removed from the department listing. More than 200 attended the banquet to pay tribute to Bolger. Arthur Bodien, long-time friend of the veteran policeman, was master of ceremonies.

One of the would-be applicants for the local Sanitation district's job of chief plant inspector came in the day after the exam last week and asked for his personal file.

The lady secretary of the sewage district asked him why he didn't take the test, to which he replied, "Aw, I heard the whole thing was fixed beforehand."

For this remark he was subjected to a severe verbal spanking at the hands of the lady, who explained that five different unbiased officials sat in on the examination and judged the results.

Sewage district directors also fumed over the disgruntled applicant's statement.

scene heavy black smoke was pouring from the house.

Kennedy said that tires and other rubbish stored in the basement aggravated the fire.

"The smell of the burning tires was terrific," he added.

Also destroyed in the fire were two Buicks parked in the basement garage.

It took 16 firemen 20 minutes to stop the fire, but Kennedy estimated that it took two and a half hours for them to reach the basement which was filled with the smoldering rubbish.

One fireman was injured when broken glass tore a gash in his head. Gordon King received six stitches at Junipero Serra hospital before being released.

and then return by same route.

Perkins said his line could make connection with Peninsula Bus Lines at the 87th-Junipero Serra intersection. A. R. Lynn, representing Peninsula lines, indicated his firm would be willing to leave Mission street and travel down to meet Perkins' line. Free transfers between buses would be given at that point.

What kind of transportation do the people of Daly City want? Several councilmen voiced this question at Monday's meeting.

On Monday, May 9, the council is scheduled to select a public carrier to serve the city.

Citizens have been urged to attend next Monday's study session of the council or contact councilmen in person to voice their opinions on Daly City's transit needs.

Perkins said one bus would be employed on the line, with two vehicles at peak hours of traffic.

37-Minute Trip

Round trip for the Westmoor line would take approximately 37 minutes, he said.

Perkins said he would charge a 15-cent rate.

Asked by Verducci about his readiness to start operations here, Perkins said he had option to buy four 44-passenger vehicles.

Perkins indicated he had made financial arrangements to pay 50 per cent of the total cost of the buses.

As to the possibility of putting up a performance bond, Perkins said this was definitely out. "The public utilities commission governs our operations. I've never heard of a performance bond for private transportation."

Perkins declared he would not operate in competition with the jitneys, who are also asking to handle Daly City transit. Perkins said, however, that he would not object to continuation of the No. 76 line, now being subsidized by Doelger.

Meet With Broadmoor

Perkins and Lynn met with Broadmoor Property Owners association Saturday afternoon to discuss that community's transportation needs. Perkins said his proposed Westmoor route was accepted 100 per cent by the association directors.

"It's a wonderful set up as far as overall coverage is concerned," said Maryann Read, president of the BPOA.

Meanwhile there were two other developments this week on the transportation scene:

1. Lynn claims that on August 30, 1913, Daly City waived all rights to govern public utilities, turning jurisdiction over to the state PUC. Because of this, Lynn maintains, the city council has little or no authority to say what type of transit shall serve the city. "Any action by the council regarding type of transportation would be purely recommendatory," Lynn declared. City Manager Howard stites told the council, "I wouldn't worry too much about this as the council still has plenty of power to govern transportation."

2. San Francisco Jitney Owners association secretary John Avrams revealed that his association "had nothing to do with" the group of individual jitney owners seeking to operate in Daly City. "These guys are definitely not in our association," he said. "They're just a group of individual jitney owners."

Daly City Vaccine Supply Cut Off; Plans Indefinite

(Continued from Page 1)

Delafield, district health coordinator, told THE RECORD today that vaccinations would probably have to be postponed indefinitely unless vaccine can be obtained from another source.

"Another Source Unlikely"

"It is unlikely that we will be able to obtain vaccine from another laboratory as there is already a shortage and other districts which are affected by the stoppage also will be trying to obtain the vaccine," she added.

Cutter laboratories were to have supplied one-sixth of the nation's vaccine.

In a report to the school board Wednesday night, Mrs. Delafield said that there is no real evidence at this time that there is anything wrong with the vaccine.

"Exposed Before"

"The six children who came down with polio two to four days after the innoculation are believed to have been exposed to the disease before then because it takes polio germs an average of seven days to incubate," she explained.

The health coordinator said that it is not known how long the inspection will take. The problem, therefore, arises as to whether the children could be vaccinated before summer vacation which starts June 17.

Arrangements for vaccinating the children during the summer will probably be made if there is not time this Spring, Mrs. Delafield said.

Local Police Pick Up 15-Year-Old Peeping Tom

A 15-year-old Jefferson High school boy was severely reprimanded by local police last weekend for peeping tom activities. Police said the boy had been climbing over roofs on Orange street and looking down bathroom skylights. The boy was released to the custody of relatives.

Tip-Off Rumors

This incident, along with other similar raids in which occupants left shortly before police arrived, gave rise to rumors of a tip-off in either the local department or the district attorney's office. Both have denied the accusation.

Petrocchi, in defense of the local police force, pointed to the raid at 189 Crestwood in which he said none of his men knew that the investigation was planned until they got there and, therefore, had no opportunity to give a tip-off.

pealed the board decision that was based on three lengthy hearings on alleged sale and use of narcotics at the be-bop tavern.

If the beverage control department finds sufficient evidence to grant hearing on the appeal, the revocation will be held in abeyance pending conclusion of the appeal.

If the state rejects request for appeal hearing, the local board will move in on schedule May 26 and pick up the spot's liquor license, according to Thomas Gosland, supervising liquor control officer.

Police Chief Roland Petrocchi had checked with Gosland earlier this week on the legality of the Lodge re-opening this weekend. "We can't stop operation until the revocation goes into effect," Gosland revealed. "He still has a valid license until then."

Gosland indicated that his department would keep close surveillance on the lodge during its re-opening.

A BENEFIT FOR BOOKIES ONLY

Bookmaking may or may not be a major enterprise in Daly City.

But the publicity that accompanies reports of bookie activity here sets the town back 10 years.

If the district attorney's charges that bookmaking is widespread here are true, immediate action to stop such illegal activity should be taken.

We feel, however, that if Daly City has or had a bookie problem its law enforcement officers should be aware of it. And, if aware of its existence, they should carry out arrests and convictions on their own.

Daly City citizens never hear about a problem until it has reached the confines of the district attorney's office, from where it becomes a matter of more than regional interest through the daily press.

It then appears that Daly City Police department has stood by passively until the district attorney's office felt the problem so acute it merited their attention.

Since the alleged tip-offs that sent the bookies scurrying, not a single arrest has been made, despite the expert assistance of the district attorney's office. The only effect the joint DA-police operation has had is to put any bookies in hiding for the time being.

Meanwhile, conflicting statements as to the investigation are released from the two law enforcement agencies, doing neither one a shred of good.

If Daly City has wholesale bookmaking in its midst, its police force is living with the problem every day and should be aware of its existence. Accordingly, the local force should be able to eliminate the situation effectively and efficiently without undue alarm as was witnessed last week.

The whole din and clamor has given the city and its police force a black eye and benefitted, perhaps, only the bookies who were circumspect enough to leave at the opportune moment.

PRESS EFFORTS FOR MEDICAL CENTER

The city council and supervisor from this area should press with every resource available to bring a proposed medical center to Daly City.

The county has allocated $150,000 for construction of medical facilities in northern San Mateo county.

Daly City is, and should be, eligible for at least half of this fund.

Closest county emergency medical center for citizens of this area is located in Belmont, at least a half-hour's drive.

Local patients must be transported the entire distance for treatment, at an exorbitant waste of time and money to county tax payers and at a constant danger to the sick and injured.

Location of a medical center here would mark the first time the north end of the county has had a county facility of any consequence.

The center could not only be used as an emergency hospital, but could be headquarters for administration of county health and welfare business here, eliminating the necessity of travelling all the way to Redwood City for such transactions.

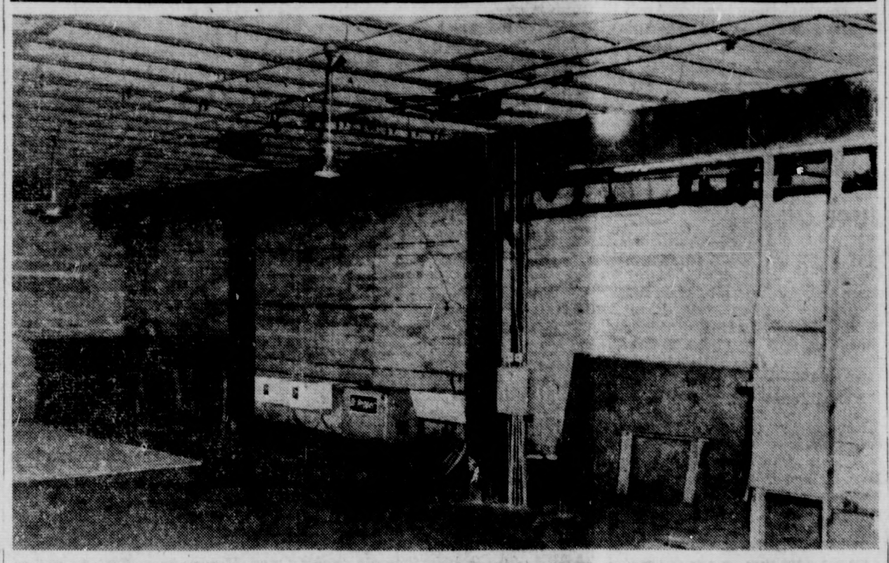
We understand the county has proposed that the north county building be used solely for administrative work.

We hope the council combats this plan and holds out for a medical center.

Cost estimate for such a center is $81,000, just about the amount this area is entitled to.

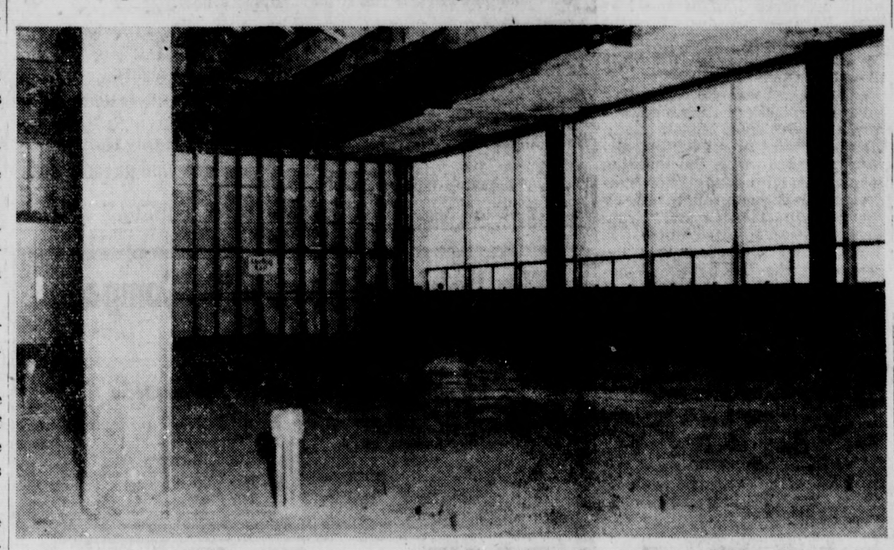
The city would have to provide a site, at an approximate cost of $15,000, small price to pay for such a public necessity and convenience.

We believe opportunity for acquiring a medical center has never been better and we urge local government representatives to see that this objective is achieved.



AVAILABLE FACILITIES in the downstairs north wing of the War Memorial center are shown here. Note the broken light fixture hanging from the ceiling. Estimated cost of finishing the two rooms pictured is slightly less than $50,000 which excludes furnishings. In completed state this downstairs portion of the building will contain two meeting rooms, kitchen, storage room and long corridors with locker space.

THE RECORD photo



THE BARE SKELETON of what someday will be divided into six rooms is here shown. The upstairs north wing room of the War Memorial center is now in use for meetings, dances and other recreational activities. Note the spikes extending from the floor in the lower right-hand portion of the picture. Architect Mario Ciampi has planned a game room, craft room, drop-in center, entrance lobby and two lavatories to occupy this space.

THE RECORD photo

Daly City War Memorial Center Called Local "Winchester House"

The War Memorial building, reputed to be one of the finest recreation centers in California, has been called Daly City's "Winchester House."

Like San Jose's Winchester House, the $300,000 building, designed by Architect Mario Ciampi, has yet to be completed.

Each year the city council ekes out a small portion of the budget for work on the Memorial building.

Still to be finished is the entire north wing of the structure. Two bare rooms on both the downstairs and upstairs level will be rooms when the building is finally completed.

The downstairs wing will be turned into two meeting rooms divided by a folding partition, a kitchen, storage room, a long corridor and locker space.

Seven Rooms

The upstairs will be converted into a game room, craft room, dark room, "Drop-in Center," entrance lobby and two lavatories.

Additional work to the exterior of the building also is needed, according to Ciampi.

The total cost of finishing the building is estimated to be close to $75,000.

The building was started in November of 1950 and opened in June of 1952. The same month the Korean war broke out—a giant factor in the history of the half completed building.

Cost Rose

The cost of finishing the structure rose way above the orginial estimate, so it was decided to call a bond issue to see if the people of Daly City would support the completion of the building.

The bond issue failed.

Requiring a two-thirds majority, only 57 per cent "yes" votes were polled. Some said that bitter feeling because the building hadn't been used for classrooms defeated passage of the bond. Daly City schools were at that time on a double-session program.

Superintendent of Schools H. Z. Weibel commented later that use of the Memorial building would not have eliminated double sessions.

At any rate, since that time construction of the building has been slow.

To Best Advantage

Despite slow progress on the construction of the building, Recreation Director James Mason is utilizing facilities available to the best advantage.

Mason said today that the recreation department is preparing now for the overflow of children and older citizens who will use the War Memorial building this summer. Last Summer total attendance reached almost 10,000 persons.

Following is a list of activities offered by the department at the building:

BASKETBALL: elementary school league, teen-age farm league, teen-age league, adult league, unlimited league, basketball clinic (summer program), and county basketball tournament.

BOXING: elementary school boxing, teen-age boxing and boxing shows.

WRESTLING: elementary school wrestling and teen-age wrestling.

TUMBLING: elementary school.

FOLK DANCING: children and adult programs.

ARTS AND CRAFTS: summer program which culminates with Arts and Crafts show.

Hobbies

HOBBIES: summer program which culminates with Hobby show.

TEEN-CLUB (MIS-BEHAVEN): social dancing, movies and special activities which include formal dances, annual carnival, Christmas party, Halloween party and variety shows.

GAME ROOM: ping pong, snuffleboard and quiet games.

SPECIAL ACTIVITIES: includes such things as the recently completed Lion's Art Exhibit.

SPRING CLEANUP SET FOR MAY 16-21 WEEK

Spring cleanup is planned by the Daly City Scavenger company for the week of May 16 to 21, according to President Al Sereni.

Pickup for each house will be on the regular garbage day. Sereni asks that no dirt, rock or cement be included in the bundles, which must be tied, and weigh no more than 75 pounds. Cans and cleanup bundles should be placed on the street curb on this day.

Spring cleanup is a public service sponsored by the Scavengers.

My Mad World

By Leonore Brewer

This week's effort is going to be a hodge-podge of bits and pieces to try to get us up to date. Since hodge-podge isn't too elegant a title, we could call it pot-pourri, or could even take the suggestion of a faithful reader and borrow the term Hemidemisemiquavers. This latter suggestion is one of those completely perfect expressions that the other guy always finds first, the other guy in this case being an illustrious colleague on another paper, likewise known as THE TIMES.

Hope my recent mention of a change in date of the concert of the Jean Leon Destine Dancers was noted. Returning to San Francisco because of demand of the large audience that applauded their first Celebrity Concerts appearance last year, they will present their exotic "Fiesta in Haiti" at the Veterans' Auditorium next Monday evening, May 2.

Sense of Theatre

Hailed throughout this country, Latin America and Europe, Destine combines a deep knowledge of the folk dance and music of his native Haiti with a remarkable sense of theatre, all of which results in one of the most exciting dance programs before the concert public today. Included in the group of dancers and musicians will be the drummer, Alphonse Cimber, whose solos were a sensation of last season's concert.

Due to deadline limitations of a weekly newspaper we seldom have the opportunity to express our opinion on a film before the dailies get their licks in, so we try to make a point of seeing the better previews that are given on Market street. It's even more interesting when they are true "sneak" previews, which are exhibited to test audience reaction before final cutting is done and the finished print released. Ever since we read Lillian Ross's book, "Picture" (the story of the filming of "The Red Badge of Courage"), we have had a morbid interest in counting the number of walkouts during a preview, although we haven't yet reached the point of making notes as to what scenes provoked them.

Top Social Problem

During the past month unavoidable circumstances forced us to miss two of the best previews: "Blackboard Jungle" at Loew's Warfield and "The Rose Tattoo" at the St. Francis. We are ashamed to admit we haven't yet seen "Jungle" which at the moment of writing is still playing at the Warfield, but the customary unimpeachible source has told us that several cuts have been made in the dialogue, principally the stronger expressions used by the inmates of the jungle. Even with these concessions to the more easily shocked, M-G-M is to be congratulated upon making a strong film which dramatizes one of the top social problems of our day.

From what we have been told, Paramount has done a notable job in transferring Tennessee Williams' play, "The Rose Tattoo" to the screen. Knowing what can happen to a film as a result of audience reaction cards, we are keeping our fingers crossed. "Tattoo" (which we have read but never seen) is strictly adult fare, something too often lacking on the screen.

TV and Radio

COLOR TELECASTS — If you are one of the viewers in this area that hasn't seen a colored telecast, we suggest that you take a few minutes out of your day to view a program on a television set that transmits color programs. In addition to network shows, KRON-TV, the Bay Area's pioneer color station, features two local programs regularly in color. The entire program of Exclusively Yours (3 to 3:30 p.m., Monday through Friday) is telecast in color while all live product demonstrations by Bonnie Kever on Golden Gate Playhouse (1 to 3:30 p.m., Monday through Friday) are color telecasts. In connection with color telecasts, Station Manager Harold P. See announced last week that KRON-TV is now ready and fully capable of transmitting color film and slides with the installation of several important pieces of new equipment plus the modification of gear already in place. It is now possible for KRON-TV to originate any type of local program in color, thus bringing closer the station's goal of being able to offer advertisers color for any local show as a matter of routine practice. According to his timetable, this goal is to be reached by the end of 1955.

Classics Available

SHAKESPEARE TELEVISION PROGRAMS AVAILABLE TO SCHOOLS — Hallmark Cards has made 16 mm. kinescopes of Maurice Evans TV versions of Shakespeares "Macbeth" and "King Richard II" which are available for free showing in public, parochial and private colleges and schools. Application for loan of these prints should be made to W. O. Siler, Association Films, 351 Turk St., San Francisco, Telephone PR. 5-2800.

NATION'E TELEVISION SETS INCREASE — Television installations in the United States increased 664,000 during February to reach a total of 35,028,000 as of March 1, 1955, according to an estimate released by Hugh M. Bebille Jr., Director of Research & Planning for the National Broadcasting Company. This represents an increase of nearly six million sets since March 1, 1954.

Mee Mr. Murgle

KIDDIES' CORNER . . . If your child hasn't made the acquaintance of Mr. Murgle we suggest turning your dial to Channel 9 on Wednesday afternoons at 5:30 p.m. A new and delightfully whimsical childrens' program, MR. MURGLE'S MUSEE, made it debut on Channel 9 last week.

Mr. Murgle is a scientific-minded puppet who with the assistance of his friend, Mr. Elfin, explores the world of science and natural history. Each week Mr. Murgle will describe the wonderful things he can see through his magic telescope. This program is just another example that programs can be entertaining as well as informative, and that children will enjoy them . . . as our two offspring reported at the conclusion of the program. . . . "I like it!"

Hold Up Contract For Fire Alarm System

Awarding of contract for installing fire alarm systems was held over by the city council Monday night.

Only one bid, that of Damewell Co., was received. Their proposal was $6539.86.

City Manager Howard Stites said he would investigate the bid and report on it May 9.

LOCAL POLICE FIND INJURED BARTENDER

A 38-year-old Broadmoor bartender was found covered with blood and in a state of shock near the Lake Merced Golf club by police Sunday night at 10 o'clock.

Police said they saw Charles W. Graf of 1739 Sweetwood drive, Broadmoor, drive on to Junipero Serra boulevard and continue down the wrong side of the street for 200 feet.

Graf was unable to drive properly due to faulty steering apparatus, according to police.

The bartender was taken to Junipero Serra hospital and then released. At press time police had not yet determined the reason for Graf's condition as they were unable to get a statement upon apprehending him.

DC Man Suspected Of Ott's Drive-In Robbery

Girl Hurt When Struck By Car Wednesday Nite

A 15-year-old girl suffered minor injuries Wednesday night when she was struck by a car at Lynnewood drive near South Mayfair avenue. Susan Bennett, 40 Lynnewood, apartment 5, was given emergency treatment at Junipero Serra and then released.

Police said that the girl ran out in front of the car driven by Guido Balanesi, 26, 975 Wildwood avenue. He was not cited.

CASE CONTINUED AGAINST ALLEGED BRUNO GUN SLINGER

George Husak of San Bruno, charged with "shooting up" the front of a Daly City residence on February 26, appeared in municipal court yesterday (Thursday) on three separate charges and had his case continued to May 5.

Husak allegedly fired six shots into the door of the Emil Magliocco residence, 160 Ashland drive, after failing to gain entry to the home. Husak had claimed he was a painting contractor.

Charges against Husak include assault with intent to commit murder, assault to produce bodily injury and discharging a fire arm in an inhabited dwelling.

He is free on $3000 bond.

District attorney's office requested yesterday's continuance.

April 22 was the birthdate of Catherine Rose Lapachet who arrived at St. Joseph's hospital weighing seven pounds, nine ounces. Catherine is the daughter of Mr. and Mrs. Robert A. Lapachet of 606 Orange street. She has one sister, Denise Marie.

ANERSON

Mr. and Mrs. Clarence A. Anerson of 316 Winchester street became the parents of their third child on April 8. Tommy, short for Thomas James, was born at Kaiser hospital and weighed seven pounds, 12 ounces. His brother and sister are Sharon, 13; and Bob, 11.

ANDERSON

A daughter was born on April 12 to Mr. and Mrs. Virgil U. Anderson. The Andersons live at 424 B street, Colma.

GADOYAN

Mr. and Mrs. Juan M. Gadoyan became the parents of a daughter on April 19. The Gadoyans live at 1130 Hanover street.

BURDICK

Six-year-old Gregory Burdick is now outranked four to one with the arrival of his newest sister on April 10. Donna Jo, weighing 7 pounds, 4 ounces, was born at Mary's Help hospital to Mr. and Mrs. Gerald J. Burdick, 28 Frankfort street. Other Burdick daughters are Danetta, 5; Carol, 3; and Susan, 18 months.

KLUGEL

A son was born to Mr. and Mrs. Robert P. Klugel on April 12. The Klugel family lives at 68 Theta street.

Cops Interrupt Snooze

Frank Gerard, 39, 1710 El Camino Real, Treasure Island Auto Court, evidently decided he was tired last Saturday morning so he stretched out on the bench in front of the Mission street Bank of America for a short snooze.

Police decided, upon being called to the scene, that Gerard had imbibed a bit too much alcohol. They carted him off to jail where he continued his nap on a cot in a nice comfortable cell.

Degliantoni Re-named To Civil Service Board

John Degliantoni, civil service board of review chairman, was re-appointed to his position by the city council Monday night.

Degliantoni's term would have expired May 14.

DUCKS IN CALIFORNIA

An estimated 4,035,000 ducks were in California on the first two days of January this year, reports the National Automobile Club.

MERCHANT CLAIMS FIVE HOMES BUILT ON THREE LOTS HERE

Complaint that five homes were built on three lots in the Mar Vista-Edgemar area was brought to the city council Monday night by James O'Brien, 89 Mar Vista drive.

O'Brien, a local clothing store proprietor, asked the council how the developer, Mesak and Holmes, "went about it."

"I checked with the building inspector and he said the subdivision had been approved by the planning commission," said City Manager Howard Stites.

"Shouldn't this go before the people in the neighborhood before it passes?" asked O'Brien.

"It's not necessary to bring it to the people in this case," declared Mayor Joseph Verducci.

Stites then interjected that in the future notices of all such variances in sub-divisions would be posted in the area affected.

CAR DEALERS

There are over 2,200 passenger car dealers in California, reports the California State Automobile Association.

Fete Hales At Surprise Party On Anniversary

A surprise party at their home greeted Mr. and Mrs. Al Hale, 599 Crocker avenue, last week on the occasion of their 25th wedding anniversary.

Forty-five members of the family and friends gathered for cocktails and buffet dinner at the home of the Daly City couple who have resided here 21 years.

The Hales were presented with a silver bowl and candle from their friends and relatives.

POLICE CALLED ON WATCH THEFT AFTER $5 REWARD FAILS

After more than two weeks delay, the theft of a $75 watch from a Daly City home has been reported to police.

Emile Sempf of 7 E. Moltke street told police Tuesday that someone had stolen a watch from his home during a party last April 8. The party was given for his daughter and attended by teen-agers.

Mrs. Sempf told police that she first offered a reward of $5 for the return of the watch, but that she received word from one of the boys at the party that the culprit wanted the reward raised to $10.

Police are following through on the theft.

HIT-RUN DRIVER PLOWS BROADMOOR SHRUBBERY, FENCE

A hit-and-run driver plowed into a Broadmoor yard early on Wednesday morning, destroying 48 feet of wire fence, knocking down shrubbery and finally stopping after travelling 18 feet past the sidewalk.

Broadmoor police said Virginia Royo, 652 Larchmont, reported the vehicle smashed into her yard about 2:30 a.m.

After coming to a halt, the vehicle was backed on to the street and sped down MacArthur, according to Miss Royo and other witnesses who were alerted by the sound of the crash.

Police said evidently the driver was proceeding south on Larchmont and failed to make the turn at MacArthur. The auto was described as an old model green Nash.

COP INJURED; COLMA MAN, 84, CITED FOR SIDESWIPING CAR

Officer Gerald Schaeffer of the local police department suffered minor leg injuries as a result of an accident on Mission street Monday.

Edward A. Weisenburger, 84, route 1, Box 253, Colma, was cited for sideswiping the police car by which Schaeffer was standing.

The accident occurred while the officer was standing on Mission near Knowles giving a traffic citation to the driver of another car. Weisenburger's car hit the police car, but it is undetermined whether Schaeffer was hit by the car or by debris.

Schaeffer, who lives at 173 Thiers street, is back at work, according to police.

USED CARS

The average price paid for a used car in the United States last year was slightly over $900, says the California State Automobile Association.

MOTOR USER TAXES

Special motor user taxes comprise 22 per cent of the total California tax revenue, according to the National Automobile Club.

The telephone call that made Joanie's heart jump

Joan might be the girl next door. At 14, she's cute as anything. And you should have seen the look on her face the night Joe, one of the fellows in her class, called to invite her to the next school dance. Outwardly, Joanie seemed calm. But when her Dad nodded "yes" to her, she was almost speechless. After all—a first date happens but once. And when you stop to think of it, isn't it true that telephone calls herald many a big moment in our lives—reunions, weddings, births? Yet consider how little your telephone actually costs for all the ways it serves you. Isn't it one of today's best buys? Pacific Telephone works to make your telephone a bigger value every day.

An up-to-date telephone arrangement for your home

Folks who go in for modern living are finding how handy it is to have a telephone in each of the rooms they use a lot. Just think how much you'd enjoy a telephone in the kitchen where you can call or answer without leaving your work. Of course, one in the living room is practically a must. And in the bedroom a telephone adds comfort, security. With up-to-date telephone arrangements, you save time. You save steps. You have privacy for your calls. And you can enjoy the convenience of added telephones for only a little more than you pay now. Why not call us and talk it over soon.

Beverly Gross is a native daughter of San Francisco. She attended the University of California in Berkeley for two years and thereafter became one of your telephone representatives. The recent growth of so many new homes in the Plaza Area has put Beverly's knowledge and understanding of her community to good use. Bev has a great deal of enthusiasm for the many office activities and very often you will find her an eager participant. She has enjoyed her seven years with the Company and is looking forward to many enjoyable hours serving you, the public.

Village Notes

By Gwin Mitchell

Lynn and Charles Wegg, who used to live on Gilman and moved away, are coming back again—this time to the new Westlake area near Broadmoor. They are the proud—and lucky—owners of the Storm King, the kind of boat used for weekend fisning parties!!!

There are few women who can resist beautiful jewelry, so Hazel Eagleton took advantage of this fact and gave a Sarah Coventry jewelry party, with Billie Buchanan, Esther Klevesahl, Roslyn Navarro, Ella Bloom and Roberta Taylor all making tracks to Nimitz to try on and exclaim over some very attractive accents for feminine charms!

Checked up on one V. Duste's birthday celebration, and found that Washington street neighbors Alice Mitchell, Barbara Subke and Gloria Dalzelle treated her to noontime surprise birthday cake and coffee, with sundry and assorted children for party noisemakers! And later in the week, Alice treated to dinner at her home, with Ray Duste and Ferguson Mitchell making it four, and Dr. and Mrs. David Rodgers of San Francisco making it six.

Vi Murphy and family took off for a happy weekend in Red Bluff, with all going well until they reached Dixon, at which point the car got tired and pushed one of its connecting rods all over the motor. Vince and Vi had to keep the children out of the greasy fascinations of a garage until Vi's brother-in-law, Robert Grootveld, could drive down and get them. Once they got to Red Bluff, everything was fine, with the children enjoying rides all over town on the small-sized train Robert had built. They picked up a somewhat shamefaced car on the way back, and crept home at 25 mph, with small mechanical things going wrong one after another until the car humped itself into its Midway garage, thoroughly un-sympathetic with the Murphy family!

"Among those...," who have new cars, that is, are the Wesley Fausts, gracing Larchmont with a nice Ford station wagon, and the John Taylors, escorting a red and white Buick in and out of their Nimitz driveway, and the H. Z. Weibels, brightening the Louvaine landscape with their green DeSoto. Happy miles, everybody!

Walter Brand, pilot for a commercial air line, will be landing at home on Foothill one of these days, by way of Germany, Iceland and India. Wife Darlene will have news to tell of son Jeff's 1st birthday, celebrated with some very proud grandparents as guests.

Herewith a Super-Special birthday wish to our Gert Green, a Manila resident since there was a Manila Way, and a project-starter, cause champion and all-round hard worker all that time. Latest on the list is new daughter Michele Marie, whose 12 active pounds are keeping mama hopping!

Bunny Gillespie, Ruth Mary Warner, Grace Marconi, Florence Thieman and Grace Marconi traveled down to Burlingame recently to attend the disaster meeting held in the Red Cross Chapter House. There were lectures given during the day to provide the information background necessary should a central information office need to be established in a community in the event of any natural or enemy-caused disaster. Such an office would give directions and information to all those in need of food, shelter, medical care, travel directions, etc.

Two of the busiest people we know are the Rev. and Mrs. John Glasse. When they aren't busy at home or at the Presbyterian church, they are visiting friends or attending meetings, and in between time, they have visitors! Latest to stop off for a day en route to Washington, DC, was Mrs. Glasse's cousin, Thomas H. Wilkenson, back from Japan, where he was in charge of all safety operations for our government. His visit was a surprise, and quite a nice one, with all sorts of news to exchange!

Lt. Cmdr. Arthur Bullen won't have to batch it now on Village Lane—wife Betty and Chuck, Mike and Barbara are home again! They spent an extra week at Betty's family home in San Bernardino in company with Mr. and Mrs. Peyton Taylor, Betty's parents, and hosts of other relatives! What with horses to ride, and chickens and ducks to play with, and a fascinating day at a model train exhibit, the Bullen tribe had quite a time! Art got a week down south, but had to come home the night before Easter. Navy duties!

The Bill Stockslagers took off for Easter, too, but they only went half as far south as the Bullens—Fresno, to be exact, where they visited Bill's brother Bryce and his family. Heard tell they had quite an assortment of weather before coming home.

Yvonne McBain has found the perfect time to get caught up on things like manicures and makeup and hair styling, etc. When? After having the sixth baby, that's when! Yvonne is home on Manila after a trip to the hospital to present her family with Scott Andrew, the 3rd boy. His 8 lbs. 3½ oz. balanced the scales at 3 and 3, which pleased everyone. Of course, after Grandma leaves and mother has to take over, the manicures, etc., fall by the wayside!

Saw Bill Weesner the other day. He's an ex-Maddux resident who went south to Redwood City, where wife Marge and sons Michael and Johnny are keeping him company in good health and happiness. He stopped by after duty hours as a member of the State Police, and we had a chance to hear firsthand about what good things those safety belts in cars can be.

A 5th birthday is a very important one—it means one can go to kindergarten when the next school year starts! One of next year's class is Rodney Johnson, who reached K-Age with a celebration which included Judy Ann Kaufman, Nancy Hess, Andy Haberman, Kenny Gonzales, Milo Woods, Guy Kubowitz and Jim Melchiorsen. Rod's parents, the Clarence Johnsons, are living on 87th street now but a lot of people will remember their having been Nimitz residents. That was about three years and a sojourn in New York ago!

Bits and Snatches: Ellis Street's Helen Kolb is now among the members of the Working Girl Society. Miss Judy Logan had a lunch date with the Misses Judy and Jill Loftus on MacArthur. Manila Way's Jimmy Buchanan will be making his First Communion on Mother's Day, May 8. Helga and Ted Giesecke, Stewart avenue, had a very swish evening at the Seed and Feed Dealers' Convention banquet at the Fairmont. Sorry to hear Betty Hyndman has had such a miserable time with poison oak. Crocker school had to do without her while she stayed at home on Ellis for a while.

Found out something new and interesting when we heard that Russell Flint had traveled up to Yumatilla, Oregon, to check the installation of the toll gate electrical equipment on a new toll bridge there. He is one of the few who know all about that sort of equipment, which is quite complicated, and his usual daily commute is from Stoneyford to the Bay Bridge, where he keeps a careful eye on that toll gate situation.

TARGET DATE for spring bazaar at Church of the Visitation is inspected by children eagerly awaiting kiddie carnival tomorrow (Saturday) from 1 to 4 p.m. Three-day bazaar is being held to raise funds for building a Catholic school in the area. Youngsters shown (starting at bottom left, clockwise) are: Jim Molinari, Paul Rusca, Joan Molinari, Anthony Coturri and Bob Molinari.

Two Local Officers Leave For Alaska

Two Moltke street Army Air Force officers will leave next week for the Alaska air base. Second Lieutenant Robert R. Chidester, 106 E. Moltke street, and Lieutenant Kenneth Fletcher, 112 E. Moltke street, will leave May 7 for their new station.

Their wives will remain in Daly City. Both families are formerly of Omaha, Nebraska.

Scout Committee Maps May 24-27 Fund Drive

Committee for Boy Scout fund raising drive here May 24-27 gathered Tuesday night at office of Peter Markovich, chairman. Plans were made for the kick-off breakfast May 24 at Our Lady of Perpetual Help church cafeteria.

Goal set for the drive is $6000.

Present at Tuesday's meeting were Markovich, Robert Hunter, Jay F. Irick, Richard Liberty, Vince Murphy, Frank Specht, Walter McRae, Hank Sundermann, Jim Mason, Joseph Lewkowitz and Maurice Powers.

PASSENGER CARS

Passenger car registrations in the United States increased more than 20 million in the decade from 1943 to 1953, according to the National Automobile Club.

Play Cards For Cancer

"Play cards for cancer" is the theme of the whist game to be held Friday night at 8 p.m. at Colombo hall, according to Cancer society leader Mrs. Earl Taylor.

All proceeds from the whist game will go to the current cancer drive. Local merchants have generously donated such prizes as a case of coffee, pink champagne, groceries and men's clothing, Mrs. Taylor said.

"I feel sure no one will go away without a prize," she added.

Helping Mrs. Taylor in planning the event have been Mrs. Connie Nofziger, Mrs. Eleanor Lanza, Dan Casentini and A. Conserva, who will serve as Master of Ceremonies.

Crocker School Has Three Winners In Legion Essay Contest

Three Crocker school students were award winners in the American Legion Auxiliary Americanism essay contest held last month for all Jefferson elementary students in fourth, fifth and sixth grades.

Crocker winners were: Liliane Villias, fifth grade, first award; Linda Cole, sixth grade, second award; and Annabell Avila, sixth grade, third award.

CROCKERITES REPORT

FIFTH GRADE
MISS G. KEARNEY

Many of the children in Room 4, Fifth Grade, glazed their clay work so they can exhibit the pieces during Public School Week.

They have also been busy decorating the room and planning the exhibiting of their best work when their parents visit the room this week.

Arrangements have been made for class to visit the Wells Fargo Bank in San Francisco, on May 2nd, to see the exhibit of early American relics.

SIXTH GRADE
MISS C. CLARK

Written by

Last week our teacher was absent and we decided to decorate the room all by ourselves. The first thing we did was to put the ceramics on the table and then we put colored paper on the bookshelf. We made a mural of the schoolyard and put it up on the bulletin board.

We had an hearing test today and it was lots of fun. We hope all the parents will come and enjoy our classrooms next week.

OLPH Mothers Club Annual Dessert-Whist

Mothers Club of Our Lady of Perpetual Help school will hold its annual dessert-whist Tuesday at 1:30 p.m.

A committee of third grade mothers will be in charge of the whist, with Mrs. Eda Bonini acting as chairman. Mrs. Janet Fellman will conduct the game.

The public is invited to attend.

Sponsor Light Opera

David D. Oliphant Jr., president of the Oakland Board of Park Directors announces that the Joaquin Miller Foundation Inc., a non-profit organization, will again sponsor the 1955 summer Light Opera Series at Woodminster Amphitheater located in the beautiful Joaquin Miller Park.

Court St. Mary, CDA, Rosary, Benediction Next Thursday

The annual Court St. Mary, CDA, Rosary and Benediction will be held next Thursday evening at Our Lady of Perpetual Help church, starting at 7:30 p.m.

Father Norman Allen, chaplain, will conduct the spiritual exercises.

Court St. Mary will provide three First Holy Communion outfits for two girls and one boy from a local parish. Mrs. Lawrence DeFanti, sewing chairman, will make the girls' dresses.

Plans are well underway for the observation of Ct. St. Mary's twenty-fifth Silver Jubilee anniversary which will be celebrated on June 29 at the Bellevue hotel. Mrs. James Guglielmoni, court lecturer, is chairman of the jubilee dinner.

Mrs. Fred Wettstein Jr., social welfare chairman, and her committee are planning special favors and entertainment for the ladies at Crystal Springs Home on their next visit May 6.

Winners in the "Crazy Hat Parade" which was held following the last meeting, were: First prize—Mrs. Harvey Mumford; tied for second prize were Mrs. Charlotte Ford and Mrs. Lawrence De Fanti. Mrs. Mumford's hat featured a huge potpourri of fruit, vegetables and kitchen utensils. Mrs. Ford's chapeau consisted of a clever arrangement of newspapers. Mrs. DeFanti, sewing chairman, donned a hat-sized sewing basket replete with pin-cushion, spools of thread, sizzor and tape measure.

The next regular meeting will be held on May 5 at 8 p.m. Following the meeting, there will be a bingo game. Proceeds of the evening will go toward a fund which has ben earmarked for the purchasing of new court ritual robes.

JOBS BETHELS AT JOINT MEET

The International Order of Job's Daughters, Bethels 3, 26 and 198, held a joint meeting recently at 17 Hillcrest drive.

They honored Mrs. Agnes M. Tosterson, of Los Angeles, grand guardian to the State of California, and Earl P. Baker, of Bakersfield, grand associate guardian to the State of California.

"Bells" was the theme of the special presentation ceremony honoring Mrs. Tosterson, and Mr. Baker.

Six girls were initiated that evening. Miss Arlene Anderson and Miss Geraldine Kay Sigler became members of Bethel 198.

After the meeting refreshments were served in the banquet hall.

Mariner Ship No. 4 Holds First Dance

Those attending were: Carol Hansen, Leroy Frost, Cherryl Taylor, Grayson Manjarrey, Jule Ann Halbrook, Roleen Wells, Charlene Taylor, Mike Canihan, Gary Taylor, Arleen Hansen, Audrey Stewart, Mark Edwards, Joan Stewart, Bob Haller, Carole McInerney, Lloyd Silva, Bruce McCoy, Merle Ann Cutella, Drexa Guaraldi, Dennis Mann, Charlie Jordan and Linda Bailey.

Thieves Take Ten Gallons Of Gasoline From Truck

Ten gallons of gas were stolen last Friday from a one and a half ton truck parked at Rhine and Bepler streets. A. Taylor, 76 Vendome street, told police that the gas cap on the truck had been locked and the gasoline thieves had broken the cap to get the gasoline. Also broken was the right panel of the windshield, according to Taylor.

LAST WEEK'S ANSWER:

Queen Elizabeth of England Was Not A Queen.

She was a King. "King" means "Ruler," "Chief" or "Principal" and does not necessarily imply the male sex. Queen Elizabeth was the sovereign power, a king. "Queen" is the title of only the consort of the King.—"Popular Fallacies" pp. 529.

INVITATION FOR BIDS

JEFFERSON UNION HIGH SCHOOL DISTRICT

Rough Grading, Westmoor High School Site

Notice is hereby given that the Jefferson Union High School District, San Mateo County, California, will receive bids for furnishing all labor, material, transportation, plant and services for the rough grading of the Westmoor High School site on public school property bounded by Westmoor and Edgemar Avenues, County of San Mateo, State of California, and all appurtenant facilities, each bid to be in accordance with the plans and specifications and other contract documents now on file with the Board of Trustees of the Jefferson Union High School District, San Mateo County, California, and at the office of the Architect, Mario J. Ciampi, 425 Bush Street, San Francisco, where they may be examined and copies obtained by General Contractors licensed by the California State Contractors' License Bureau upon deposit of a certified check in the amount of twenty-five ($25.00) dollars.

Bidders are hereby notified that the wage scale prevailing in this area has been adopted by the School District, and set forth in the contract documents, as the rate which shall be applied to this contract.

Bidders shall submit with their bid a sworn statement of their financial responsibility, technical ability, and experience. Such a statement will be required to be furnished before award is made to any particular bidder.

The General Contractor shall in his bid set forth the name and location of place of business of each sub-contractor who will perform work or labor or render service to the General Contractor in or about the construction of the work in excess of ½ of 1% of the General Contractor's total bid.

Each bid shall be made out on a form to be obtained at the office of the School District, or at the office of the Architect, Mario J. Ciampi, 425 Bush Street, San Francisco, California, and shall be accompanied by a certified or cashier's check, or a bid bond for at least ten (10%) per cent of the amount of the bid, made payable to the order of the Jefferson Union High School District of San Mateo County, California; shall be sealed and filed with the Board of Trustees of the Jefferson Union High School District, 6996 Mission Street, Daly City, California, on or before 7:30 o'clock P.M., May 9, 1955, when it will be opened and publicly read aloud.

The above mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract, if awarded to him, and will be declared forfeited if the successful bidder refuses to enter into said contract.

The right to reject any and all bids or waive any informality in the bid is reserved.

No bidder may withdraw his bid for a period of 30 days after the date set for the opening thereof.

Wage Scales Effective as of Sept. 1, 1954.

Bruno Drops Plan To Take Callan Case Before Grand Jury

A "show-down" Wednesday night at San Bruno's council meeting on whether to take their case against Supervisor Thomas Callan Sr. of Colma before the grand jury failed to materialize.

Callan was arrested last month by a San Bruno officer for tampering with "No Left Turn" signs on Junipero Serra boulevard in the "battle of the barricades" between San Bruno and Joint Highway District 10, of which Callan is a director.

District Attorney Keith Sorenson told the San Bruno council that they have no case against Callan since there is some confusion as to where the signs Callan allegedly tampered with were placed—on district right of way or city of San Bruno easement.

But Mayor James Fitzgerald had announced he would discuss with fellow councilmen Wednesday the possibility of taking the case before the grand jury. At Wednesday's session, however, the subject never came up.

Yesterday (Thursday) the stormy supervisor appeared in Judge Thomas L. Bocci's municipal court and pled not guilty to removing the signs from the highway. Trial was set for May 19.

Callan was represented by Sylvester Andriano, who also is highway district attorney. Whether he represented Callan as a private attorney or as district counsel was not determined.

Police Arrest Bottler On Former Wife's Wish

A San Francisco bottler was arrested last week by local police when he attempted to enter the home of his former wife at 367 Irvington street here.

Mrs. Joyce Sullivan of the Daly City address called police when her former husband allegedly began banging on the door and using profane language.

John F. Sullivan, 31, 3465 - 25th street, San Francisco, was released on $50 cash bail, paid by his present wife. He is scheduled to appear in Municipal court on May 10 at 9:30 a.m.

A PREVIEW of what to expect at Scout-O-Rama tonight and tomorrow nights (Friday and Saturday) was given at Westlake shopping center Sunday by Cubs of Westlake Pack 248. Enormous 50-foot dragon, constructed by Cub parents, will be entered under "Dinosaurs of the Dark Ages" category, in the two-day Cow Palace Scout production. The dragon will be manned by 30 boys from Pack 248. Hundreds of Cubs and Scouts from local area will take part in gala activity.

Mrs. Plansky Takes Over Presidency

Last week before a near capacity audience Mrs. Mendel Plansky was installed as new President of the Woodrow Wilson PTA. Miss Elizabeth Kennedy, principal of Westlake school, conducted the ceremony.

Flag ceremony was conducted by Brownie troop No. 8 of the Parkview neighborhood. Brownies taking part were: Diana Fairchild, Arlene Plansky, Margaret Rector, Connie Anuello, and Elaine Del Sarto.

Inspirational message was read by Miss Mae Varni.

Mrs. Norma Eddy and Miss J. Strothman's afternoon kindergarten band entertained with rhythm songs. The band was led by Linda Bastedo, a member of the class. Numbers included were: "The Ace of Diamonds," "Hickory Dickory Dock," "Moment Musical" and "I Take My Little Hands."

A delightful play was presented by the Jefferson High school Players. Entitled "And You'll Never Know," it depicted a family trying to understand and account for the feeling each one had for the other. The players did an excellent job of making the plays characters really "live" for the audience. This is the third play presented at Woodrow Wilson under the direction of Miss E. Seaton of the Jefferson High school. Following the presentation Mrs. E. Hahn conducted a discussion of the play.

In turning over her gavel to Mrs. Plansky, Mrs. Foriest Cunningham thanked everyone for helping to make her year as president the successful, memorable year it has been. Her heartfelt good wishes for their future success, went to Mrs. Plansky and the incoming officers. Mrs. Cunningham also presented Presidents Service Awards to the officers and chairmen who did outstanding work during the past year. Those especially honored were: Mesdames R. Caruso, A. Waldvogel, F. Klassen, P. La Bruzzo, S. Davies and F. Fillbach.

As her first official act, Mrs. Plansky brought the meeting to a close. Following the meeting refreshments were served by Mrs. S. Davies and Mrs. P. La Bruzzo, assisted by Mesdames Fillbach, Radford, Panesi, Mattson, Vasnaugh and Scott.

The 17th district meeting at the community center was attended by Mrs. O. Simonsen, Mrs. M. Plansky and Mrs. F. Cunningham.

Says Don't Apply For First License If Driving Alone

State Motor Vehicles Director Paul Mason today reminded applicants for original automobile operator's licenses that they are forbidden by law to drive alone to Department of Motor Vehicles offices to apply for driver tests.

"Drivers license examiners have strict orders to refuse to give tests to learners and other applicants for original licenses when the individual is not accompanied by a licensed operator," Mason warned.

He said there had been some instances when examiners had failed to ascertain whether new applicants were accompanied by licensed operators.

"In some cases," Mason said, "tests have been given to persons who failed to demonstrate the ability to drive. It was then discovered that the applicant had driven alone to take the tests.

"This created a dual problem:

"1—The applicant was in violation of the law in the first place, by having driven without a license, and without having an accompanying licensed operator.

"2—What happened to the car which the unlicensed, unsuccessful applicant had driven to the motor vehicles office?

"Obviously, the applicant, having failed the driver test, could not legally drive the car away.

"The same holds true of any applicant who drives alone and is refused the test. If he is a learner, and had a learner's permit, he must not move the car until he has summoned a licensed operator to accompany him. If he has neither a learner's permit nor a valid license from another state, he may not drive the car himself at all, but must have it moved by someone who has a license."

Mason said he was directing his warning particularly to students and other young people who this Spring will be applying for the first time for drivers licenses.

Narcotics Possible Reason For Break-in At Doctor's Office

Police suspect that an attempted burglary at the residence-office of a local doctor early Sunday morning was made in order to obtain narcotics.

Mrs. Lewis J. Richards, wife of Dr. Richards, phoned police at 3:45 a.m. when she heard a noise in the downstairs part of the house at 6387 Mission street.

While she was talking to police, she heard footsteps on the stairs and yelled out, "Who's there?"

The burglar, evidently frightened when he heard her voice, fled. Mrs. Richards ran to the top of the stairs and saw the figure of a man running.

Police found, upon arrival at the scene, that the glass door leading to the doctor's office had been broken and the door opened. However, nothing had been taken.

Jefferson Qualifies Six Trackmen in NPAL Trials

Jefferson High school qualified six varsity cindermen in the Northern Peninsula Athletic league trials held Tuesday at Burlingame.

They, along with qualifiers on the 30s and 20s teams, will enter the semi-finals today (Friday).

Jim Rector and Rich Fambrini gave the Indians two spots in today's mile semi-finals, as they captured their respective heats, Rector touring the route in 4:38 and Fambrini registering a 4:53.

Rich Gonzales led the field in his 880 heat, with a 2:05.8 clocking.

George Seger qualified second in the discus with a 123-foot heave, while Bill Curtis remained in contention in the high jump, tieing for second.

Other entrant for Jeff today is Ron O'Rourke, who finished among the top four in his 100-yard dash heat Tuesday.

Al Arneson failed to make the qualifying bracket in the pole vault, but topped 10 feet for the first time in his career Tuesday.

In the 30s the Indians placed cindermen in eight events.

Lowell Klaisner showed the way, winning both his heats in the 150 and 330 yard dashes. His 150 time of 15.4 bested by three seconds the Jefferson school record. Running the 330 for the first time, Klaisner sped the distance in 36.9, four-tenths of a second under the PAL record and tying the North Coast Section standard.

Other 30s qualifiers included: Rogue Domingo, 75, fourth; Steve Mack, 150, fourth, 660, third; Jerry Nix, 330, third; Andy Estogoy, 1320, second; and Jim Taylor, 1320, fourth.

The 20s won seven qualifying spots as Sonny Martinez took a pair for himself, winning his 75 and 150-yard dash heats.

Dan Miceli took the second 150 heat in 16.2, tying the school record held by Martinez and Mike Piazza, who ran in the 30s division Tuesday.

Miceli tied for first in the 330-yard dash. Buddy Pollard finished third in the other 330 heat and finished in the same spot in the 150, while Al Leveroni was right behind for fourth and a qualifying finish.

Following today's semi-finals, among NPAL schools, first four finishers wil vie in the finals May 7 at Stanford's Angel field.

Cub Pack 63 Shows Softball Is Popular

Cub Pack 63 has proved an exception to the recent statement that youngsters "just aren't interested in softball."

Under direction of Mike Kerekes, assisted by Pack fathers, the Pack 63 boys have been turning out en masse the past few weeks for softball contests.

They play Saturday mornings at Marchbanks parks for the remainder of the season.

Boys participating last week in intra-Pack games included: Tom Farina, John Kerekes, Billy Cunningham, Dennis Costello, Ernie Pezzoloa, Bill Carpenter, John Tarango, John Barker, Craig Rickey, Allen Tabarez and Jim Hamilton.

Of this "A" group Kerekes led with four hits. "B" team was composed of Bob DeGroot, Tom Joyce, Arne Simonson, Cliff Fulwider, Lee Klinger, Buzz Romero, Don Romero, Les Henry, Gene Snyder, Bill Ellis and Chester Thomas. Romero and Snyder led this group with four hits apiece.

This Friday and Saturday the boys will participate in the Scout-O-Rama. Their act is included in the "Themes, Schemes and Fabulous Dreams" division.

Following Friday the boys will meet for their monthly Pack meeting. Highlight of the evening will be an auction sale. Monthly parents trophy will be awarded and the "doodle' given to the neatest den.

DISTANCE MEDLEY TEAM THIRD AT CERRITO RELAYS

Varsity distance medley relay team from Jefferson High school pulled in third Saturday in the El Cerrito relays.

The team of Lowell Klaisner, Rich Gonzales, Rich Fambrini and Jim Rector finished second but were moved back third due to an official's error, according to track coach Ernie Ribera.

Times were as follows: Klaisner, 440, 53.7; Gonzales, 880, 2:08.2; Fambrini, 1320, 3:27; Rector, mile, 4:34.4.

George Seger twirled the discus out 131 feet for his best performance this season, but one man on the Indian discus relay team fouled three times to hurt the locals cause.

Mike Cloonan tossed the platter 120, while Jim Farley hit 113. Don Wiesner, who hits around 110, failed to get off an official throw as he stepped out of the circle on all tries. A 110-foot toss by Wiesner would have been enough to give the Jeff four-man team first in the discus.

Last Thursday's scheduled meet at the South San Francisco oval was called off because of rain and re-slated for May 3.

RAIN CANCELS FOUR FROSH-SOPH GAMES

Jefferson High school's undefeated frosh-soph baseball club was scheduled to resume play yesterday against Menlo-Atherton after being rained out four straight games.

Three games last week and one this week were cancelled because of bad weather.

Upcoming games for Coach Byron Van Alstyne's crew include St. Ignatius next Tuesday at USF field and Burlingame next Thursday here, in a league contest.

The Indian yearlings have a string of 11 straight wins, which includes four league victories.

Broadmoor Pirates Whack Dee's, 13-5

A joint three-hit pitching effort by Joe Millett, Phil Fair and Kal Oliveira, combined with batting power of Millett and George Cosmos, gave Broadmoor Pirates a 13-5 win over Dee's Associated of South San Francisco Saturday.

Millett pounded out four hits in five trips while Cosmos batted three for five as the Pirates whacked an even dozen safeties.

SHARPES HOLD TAG TITLE WITH UNPOPULAR WIN

By Frances Kavanaugh

The Sharpe brothers, playing "villain" roles, defended their heaveyweight tag team wrestling championship in Daly City Monday night.

Ben and Mike Sharpe defeated Vic Christy and Rocky Brown two falls to one in a two-fall or one hour limit main event, but the 300 spectators booed the decision enthusiastically.

The Sharpes used sleight-of-hand to commit infractions while the referee's attention was concentrated elsewhere. Stoic Referee Pete Peterson called things as he saw them, and so did the howling, hooting fans on the four sides of the ring.

Mike won the first fall by holding Brown's legs in the air and standing on his chest to pin his shoulders after 19 minutes and 31 seconds. Vic pinned Ben, thereafter, and Peterson tolled out the 3-count, but when the wrestlers disengaged the referee ruled that Ben's hand was touching a rope and the fall didn't count. That brought an explosion of disagreement from the crowd, and another of glee a bit later when Vic repeated the treatment and was awarded a fall in 20:07.

Highlight of Evening

The highlight of the evening for Brown, Christy and their supporters came shortly before the match ended. Ben had a hold on Rocky and Mike went into the ring and punched him. Vic came in, too, broke the hold, and Brown and Christy cornered the two Sharpes and in the ensuing melee punched the brothers to the canvas.

In the semi-final, Ramon Torres defeated Gene Dubuque by disqualification after Dubuque kicked Torres in the abdomen with the score tied at one fall each.

For the first five minutes, these two engaged in a strenuous wrestling match in which Torres put a split on Dubuque's legs and Gene struggled to escape. But the spectators didn't like wrestling—they wanted exhibition. So the two changed their style and clowned and the crowd loved it.

Opener A Draw

In the opener, "Mr. America" Steve Stanlee wrestled to a draw with 275-pound Baron Gattoni of Argentina. The baron, whiskered and mustached, tried to frighten Stanlee with facial grimaces and guttural threats as a supplement to his his huge bulk of Argentine beef but "Mr. America" wouldn't be subdued. Gattoni hollered back, in Spanish, at the women in the audience who berated him and he argued incessantly with the referee who made him break illegal holds.

The matches, in War Memorial community center building, were sponsored by the Holy Name society of Holy Angels church of Colma.

JEFF LINKSMEN TOP CAPUCHINO, 17-10

Jefferson High school golfers claimed their fourth PAL win in five outings Tuesday as they turned back Capuchino, 17-10.

The Indian linksmen were paced by Bob Penn's low round of 79. Bryan Van Paul and Gary Galli each fired 80s for the winners.

Penn and Van Paul blanked their Mustang foes 9-0. Jeff team of Galli and Dick Stookey was downed, 5-4, as was the Richard Smith, Bill Pushman duo.

Next Tuesday Coach Mike Orlich's swingers take on a San Mateo team that is tied for first place. Match will be at Peninsula club.

Maynard Again Paces Johnson Tamale Nine

Daly City's Chuck Maynard banged his third homer in two games to pace Westlake Johnson's Tamales 12-7 to a come-from-behind win over Perry and Whitlaw in a AA league baseball game at Funston field Sunday.

The tamalemen overcame a 5-2 deficit to gain the victory.

Steve Casperson went the nine-inning distance for Johnson's, giving up nine hits.

Tommy Cass managed the local nine.

Girl Scouts Elect New Officer Slate

Girl Scout Troop number 9 elected officers at their meeting Monday night.

New officers are: president, Dona Phelps; vice-president, Norma Ann North; secretary, Sherrill Klingler; treasurer, Mary Alice Olson; monitor, Linda Angle; color bearers, Diana Strubel and Mary Ellen Unger.

After the election the girls put on a demonstration on how to make pin-curls and how to use make-up correctly, which is part of their work on the Good Grooming badge. The troop will also take part in the bicycle instructions given by the Broadmoor Police Department to earn their Cyclist badge. Plans to help leaders of other troops to teach younger girls about scouting are being made.

The girls took tests on skating ability at Skateland at the Beach on Tuesday afternoon. After the lesson, the girls and their leader, Mrs. A. E. North, had dinner at the beach. On Friday night, April 29, the whole troop is attending the Scout-A-Rama at the Cow Palace.

"Hetch Hetchy," the name applied to the mountain section of the San Francisco water system, is believed to be a corruption of the Indian word "Hatchatchie," for a species of grass which grew in the Tuolumne River canyon.

INDIANS RESUME PLAY TODAY AFTER THREE-GAME WET SPELL

Rained out three straight games, Jefferson High school baseball club goes back into PAL action today (Friday) against Carlmont at the Scots diamond.

With the regular season nearly over, the local nine still have more than half their games to play.

Last Tuesday the weather started putting the bibosh on Jeff's games, forcing the Burlingame contest to be called off. Friday the Indians were scheduled to meet South San Francisco but again the "Old Man" prevailed. Tuesday of this week the field was dry enough for the Capuchino tilt at Millbrae, but an early morning blustery sky caused officials to call off the game.

The Daly City club will be seeking their second league win today against a Carlmont team that they thumped, 8-5, in the opening round for their lone victory.

Lowell Creighton will go to the mound for Jefferson in the early innings and then Coach Lou Martin will probably call on Jim Honeywell to handle pitching chores. Because of the long layoff, Martin is anxious to see his pitching staff get as much work as possible in the next few games.

The Jeff team will be back at full strength today, after losing Rich Guisti, outfielder, Bob Bailey, first sacker, and John Murphy, catcher, to the flu bug for one-game's duration.

Next Tuesday the Indians tangle with San Mateo in a return engagement at the Bearcat field. Losers in their first meeting with the Mateans, the Jeffs could start back on the championship trail with a triumph over the 'Cats.

On Wednesday the Indians meet another foe that has taken their measure, St. Ignatius, in a home game. The SI club set down Jeff in two practice tilts.

Next Friday the local nine meet Burlingame in another home contest.

Jefferson games rained out have been re-scheduled for the following dates: May 10, Burlingame, here; May 17, South San Francisco, there; May 20, Capuchino, here.

BROADMOOR CUBS ROUT PACK 115; TAKE OVER SECOND

Broadmoor Cub Pack 84 baseball team won its fifth straight West of Twin Peaks "AA" league contest Saturday at Aptos Junior High field, thumping Cub Pack 115, 22-10.

The victory moved Broadmoor, defending champions, into undisputed second place.

Ricky Landiss, Bruce Hix and Dick South showed the way for Broadmoor with three hits apiece. Ed Whaitala, Ronnie Townsend and John Hess blasted doubles in Pack 84's banner sixth inning that produced 14 runs for the locals.

Dick South worked six innings for Broadmoor, giving up nine hits and six walks. Melvin Hahn relieved in the seventh session, issuing one hit and then retiring Pack 115 batters in order.

Bill Faust, Broadmoor catcher, handled backstop duties capably and wound up with a pair of hits.

Fielding play of Glenn Hilton, Jimmy Lair and Ronnie Krowitz was instrumental in the Pack 84 victory.

This Saturday Broadmoor faces Pack 15 of San Francisco, the league-leader, in a contest that could determine the '55 champions.

George Landiss and Ross Hilton coach the Broadmoor nine.

Westlake Merchants Massacre Mt. View

Westlake Merchants hardball nine parlayed 27 hits into nearly as many runs last Sunday to massacre Mountain View, 23-6.

Johnny Chiatello made one triple and two doubles good for eight runs batted in.

Ray Cizmich and Bob Montenossa led the Westlake batting barrage with five hits apiece.

Don Henson worked the first five innings for the merchants, giving up only three hits and leaving the game with a 11-1 lead.

SHARP PARK 5 CAPTURES CAGE TITLE ON UPSET

The Sharp Park Breakers, led by Ed Michelluci, upset the favorite Marchbank Argonauts to win the second annual Daly City Teen-Age Farm league basketball championship. The Argonauts, who handed the Breakers their first loss of the season last week to throw the league into a deadlock for first place, led throughout the opening half of the playoff game. The Breakers came back with a vengeance in the second half, however, to score a decisive 40-34 victory.

Marchbanks' Al Long, the leagues most consistent scorer and George Rocchi, former Jeff High 20s star, were chiefly responsible for a 17-point Argonaut outburst in the very first period. Sharp Park made up some of the deficit in the second quarter on rebounds by Michelucci. The intermission ended, however, with the Marchbank quintet in possession of a 22-19 lead.

Little Bill Pushman, Sharp's ace forward, hit three field goals and a free throw to open the third period, while teammates Al Dye and Michelucci collected a pair of charities apiece. Marchbank, meanwhile, was able to muster only five points in the same quarter against the tough Breaker defense. Finding themselves on the short end of a 30-27 score going into the final seven minutes, Marchbanks threw caution to the winds in and effort to stave off defeat. The alert Sharp Park five quickly took advantage of the Argonaut defensive lapses to score a pair of field goals by Waltz and one each by Michelucci and Chapman to sew up the ball game and the teen-age championship. Suitable awards will be provided the new champs by the recreation department.

This Sunday the Westlakers tangle with a strong Napa club at the latter's diamond.
